Globba Winitti Dancing Girl Ginger

One of the most beautiful Gingers in cultivation is the Dancing Girl, which is so graceful and delicate, a real treasure among Gingers. This small compact shade loving plant 1' to 1 1/2' bares delicate pendant sprays of lavender bracts from which appear golden yellow orchid-like flowers that resemble tiny dancing girls

- ◆ **Goes dormant in winter**
- ◆ **Grow in containers or garden**
- ◆ **Prefers filtered sunlight, moist soil & average feeding**
