

Collection Selection

Meryta sinclairii Puka

A large-leaved evergreen tree native to New Zealand. It has a tropical look but is hardier able to withstand strong winds and salt.

- ◆ **Grows 12' x 15' tall and wide**
- ◆ **Prefers full sun to partial shade**
- ◆ **Needs humus enriched soil that drains well and stays moist**
- ◆ **Has large leaves with panicles of green/white flowers**
- ◆ **Ideal for coastal areas**
- ◆ **Does not enjoy heavy frosts**
