

Name	Awards	Type	Ht	Color	Year	Description	Fragrance	
About Face		GR	5'	Orange	2005	Deep golden yellow with bronzy orange red reverse. Old fashioned blooms that blush showing a unique blend of colors. Vigorous, tall with deep green leaves. Long stems.	Mild Fresh Apple	
Angel Face	<b>AARS</b>	FL	3'	Lavender	1969	Clear medium lavender with blushes of ruby near the edges. Produces lots of blooms. Low and bushy, a long time favorite.	STRONG Old Rose	
Apricot Candy		HT	5'	Apricot	2008	Excellent flower shape with ruffled edged petals on this soft apricot bloom. This rose has above average disease resistance, & also does well in warm areas.	Spicy	
April in Paris		HT	4.5'	Pink and White	2008	Classic seashell buds spiral open into blooms of palest dawn pink edged in soft pink.	STRONG Tea	
Aromatherapy		HT	5'	Pink	2005	Perfect pink buds & blooms sweeten the air with a powerful aroma. Upright, well branched bush. Blooms produced in great numbers.	STRONG Fruity	
Baby Blanket		GC	3'	Pink	2001	This little rose is tough as nails. It spreads knee-deep with mounds of disease resistant foliage. It is covered with a profusion of small double pink blooms.	Light Sweet	
Ballerina		ANT	5'+	Pink	1937	Wonderfully fragrant flowers bloom in "hydrangea-like" clusters all season long. Dense, hardy & vigorous, an outstanding landscape plant. The blooms are single.	Musk	
Barbara Bush		HT	4'	Coral-Pink	1991	A great looking rose, very eye catching, vibrant color. Very vigorous and free blooming on long stems.	Light Damask	
Barbara Streisand		HT	4'	Rich Lavender	2001	This is one of the very best lavender roses. A top seller for the last few years. Large perfectly formed hybrid tea blooms with deep velvety foliage.	STRONG rose	
Bella' Roma		HT	4'	Yellow and Pink	2003	This rose has won top honors in many large rose shows. Sumptuous blooms all season long. It is wonderful in the garden and also as a cut bloom.	Light Spicy	
Beloved		HT	4'	Red	2006	Excellent rose of robust character. Disease resistant, claimed to be the most outstanding new red rose of the last decade. Ideal cutting rose.	Light	
Betty Boop		FL	3'	White and Red	1999	This is a really great rose, the colors are so vibrant, it is hard to miss when in bloom. Single blooms borne in large clusters are white with red edges. Nice glossy foliage.	Fruity	
Bewitched		HT	4'	Pink	1967	A classic among pink roses. Large lovely buds open to full perfectly formed medium pink blooms. Vigorous bush with nice foliage. This is a lasting cut rose to almost 5' wide.	Rich rose	
Bishop's Castle		DA	4'	Deep Pink	2007	Over 80 petals in this large cupped old fashioned bloom. Raspberry pink with antique rose scent. Plant matures into an attractive round shape.	STRONG Old Rose	
Black Bacarra		HT	3'	Very Dark Red	2005	Originally introduced in 2001 only for the florist trade. Velvety petals of nearly black, a unique color. As a cut rose it can last up to two weeks. Blooms are tight and smallish, no fragrance.	No Fragrance	

Black Cherry	FL	3.5'	Red	2006	One of the best new floribundas to come along in a long time. Dark crimson buds with black tips swirl open to a sumptuous cherry red.	Light Damask		
Black Magic	HT	5'	Dark Red	2006	Nearly black buds open to spellbinding, velvety dark garnet flowers with even darker edges. Glossy foliage on strong stems make this an excellent plant. Very long lasting blooms.	Subtle sweet		
Blossom Blanket	GC	1.5'	White	2005	Generous producer of double, pure white ruffled flowers. Exceptionally vigorous roses swiftly cover the ground with masses of flowers. They bloom all season long. Spread is about 4'.	Light		
Bob Hope	HT	4'	Bright Red	1966	Cheerful bright rose pink and sweet fragrance are a fitting tribute to its namesake. The large formal blooms contrast nicely against dark glossy foliage.	Rich rose		
Bolero	FL	2.5'	White	2005	This compact "romantica" has an extraordinarily strong fragrance of traditional rose and fruit. Beautiful disease resistant foliage. A wonderful rose for cutting.	STRONG Old Rose		
Brandy	<b>AARS</b>	HT	4'	Apricot	1982	Deep golden bronze buds gracefully unfold to golden apricot flowers. Semi-glossy foliage on a bushy plant highlight the blooms perfectly.	Light Tea	
Brigadoon	<b>AARS</b>	HT	4'	Coral-Pink	1992	A beautiful bi-color bloom, lighter in the center, darker at the edge, darkening with age. Award winning and very deserving. Good cut flower.	Light Spice	
Brilliant Pink Iceberg	FL	3'	Pink Blend	2001	Bright cerise pink with a touch of cream. It is a true sport of Iceberg so it has many of the fine attributes of the original. Great landscape rose with the same free flowering habit.	Mild Honey		
Broadway	<b>AARS</b>	HT	4'	Deep Pink/Apricot	1986	A great rose that is extremely fragrant with oversized blooms. The edges are darker to lighter "apricot pink" near the center.	STRONG Spicy	
Bronze star	HT	4'	Orange	2000	Striking colors set this apart from other roses. The blooms tend to fade to apricot and the petals fall off clean. Slight old fashioned look.	STRONG Spicy, Pepper		
Burgundy Iceberg	FL	3'	Purple	2007	Performs like its famous parent, Iceberg, except for the unique color. Bushy habit with clusters of blooms one after the other. Continues to bloom into late fall.	Mild Honey		
<b>California Dreamin</b>	<b>HT</b>	<b>4'</b>	<b>Pink blend</b>	<b>2009</b>	<b>Beautiful blend of almost white, deepening to pink at the edges. It has great flower form and is quite disease resistant. Foliage is dark green and semi-glossy.</b>	<b>Strong citrus</b>		
<b>Carefree Spirit</b>	<b>AARS</b>	<b>SH</b>	<b>5'</b>	<b>Deep pink</b>	<b>2009</b>	<b>Huge clusters of deep cherry pink red blooms &amp; dark glossy green foliage. Quite disease resistant. Very strong mounding habit, heavy blooming, care-free rose.</b>		
Catalina	GR	5'	Apricot Pink	2008	Ruffled apricot pink petals with a darker reverse add a romantic flourish to this vigorous rose. Classically shaped buds open into immense flowers on long stems.	Light Tea		
Cecil Brunner	PLY	3'	Light Pink	1881	An old-fashioned favorite. This little rose forms perfect little fully double blooms in clusters. It is a very popular rose. Smooth low thorned stems and pretty buds make it a good cut rose.	Sweet Tea		

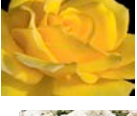

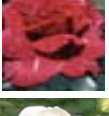

Change of Heart	HT	5'	Light Pink	2007	Unusual color with unfurled clear pink petals and creamy pink undersides. Petal count is about 40 (high). Long stems, glossy foliage.	Spicy		
Chicago Peace	HT	3.5'	Pink and Yellow	1962	A sport of Peace found in Chicago. Copper-pink blooms with a canary yellow base. A deeper tone than the original Peace. Leathery disease resistant foliage.	Slight		
Chilhuly	FL	3'	Yellow/Orange	2004	Named in honor of the glass artist Dale Chilhuly. Has an array of colors from striped apricot yellow to dazzling orange. The foliage is deep green, new is mahogany.	Mild Tea		
Chrysler Imperial	HT	4'	Dark Red	1953	The velvety maroon buds of this classic open to large, perky scarlet blooms. Won the Gamble Medal for Fragrance. Long straight stems, ideal for cutting. Likes warm temperatures.	STRONG Damask		
<b>Cinco de Mayo</b>	<b>AARS</b>	<b>FL</b>	<b>3.5'</b>	<b>Rust-Red Smoke</b>	<b>2009</b>	<b>Huge clusters of flowers of unique rainbow of colors. Continuous blooming plant. The foliage is super-clean, glossy-green.</b>	<b>Moderate Fruity</b>	
Cinnamon Twist	FL	4'	Orange	2007	The color is a smoky variation of orange/coral tipped in gold at the base. Ruffled blooms unfurl from clusters of blooms. Dark green glossy foliage is disease resistant.	Fruity		
Citrus Splash	FL	4'	Orange and Yellow	2008	This vigorous rose brings something special to the landscape. Blooms in clusters of large single striped blooms. Orange, yellow and even some pink.	Fruity		
Crimson Bouquet	GR	4'	Crimson Red	2000	Beautiful bright red rose produces brilliant clusters of flowers. The plant is well shaped and not as tall as most Grandifloras. Glossy deep green foliage.	Slight		
Diana, Princess of Wales	HT	4'	Pink	1999	Pink and Ivory, deeper shades at the edges. Elegant buds open into graceful flowers of well-shaped high-centered form. Part of the sale of this rose goes to the Princess Diana Memorial Fund.	Tea Rose		
Disneyland	FL	3'	Copper-Orange	2004	The official rose of the Disneyland Resort. It was chosen because of the bright colors and it blooms over and over. Spectacular multi-toned flowers, in copper, apricot, orange, and pink.	Light Spicy		
Distant Drums	FL	3'	Tan to orchid	1985	Unusual color seldom seen in roses. It produces clusters of pointed buds. The buds swirl open to the brunette colors washed with orchid pink.	Moderate myrrh		
Dolly Parton	HT	4'	Deep Orange	1984	Very large blooms full of brilliant orange-red color. A great performer, a great rose. Intense color.	STRONG Clove and Rose		
Double Delight	<b>AARS</b>	HT	4'	Red and White	1977	One of the most popular roses ever. Award winning fragrance, best described as 'fruity'. Scarlet buds open to full double blooms with white centers, red at the edges.	STRONG Spicy/fruity	
Double Knock Out	SH	3.5'	Red	2005	Highly disease resistant rose, a true champion in the garden. The "Knock out" roses are wonderful landscape roses. The foliage is deep, purplish green.			
Dream Come True	<b>AARS</b>	GR	5'	Yellow and Red	2008	Big clean vigorous bushy plant pumps out loads of long-stemmed shapely yellow blooms edged in ruby red. Each flower blushes to all-ruby on the finish.	Mild Tea	

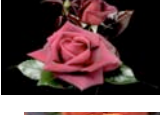

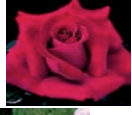

Easter Basket	FL	3'	Yellow	2007	Nearly always in bloom, abundant double flowers. Good for low hedges. Old fashioned look.	Slight		
Easy Going	FL	3'	Golden Yellow	1996	Glossy foliage, bushy habit, and an abundance of bright deep golden yellow blooms.	Slight		
Ebb Tide	FL	3'	Purple	2006	Smoky deep plum-purple floribunda, certain to attract attention. Old-fashioned flowers with an intense clove fragrance.	Old-STRONG Clove		
Elle'	<b>AARS</b>	HT	3.5'	Pink and Ivory	2005	Classically shaped Hybrid Tea named to honor <i>ELLE</i> , the internationally famous fashion magazine. Multicolored blooms and above average in disease resistance.	VERY STRONG, Spicy	
<b>Enchanted Evening</b>	<b>FL</b>	<b>3.5'</b>	<b>Lavender</b>	<b>2009</b>	<b>Excellent new lavender, one of the best to come along. Blooms are born in clusters. The plant has excellent disease resistance. It has a rounded &amp; compact growing habit.</b>	<b>Strong citrus</b>		
Estelle	HT	3.5'	Deep Oranges	1997	This rose was bred for the cut flower market, a florist rose. Blooms will last up to a week in a vase. Vigorous but may require some TLC for maximum performance.	Slight		
Eternal Flame	HT	4'	Yellow	2007	Newer addition to the Memorial Rose Collection. Long stems, the yellow is soft, lighter at the edges, deeper near the center.	STRONG Citrus		
Fabulous!	FL	3.5'	White	1997	This is a really good white floribunda. Lush cascades of blooms on a robust prolific plant. It was a gold medal winner in France in 1997. Hard to beat this one.	Light, Sweet		
Falling in Love	HT	3.5'	Pink	2007	Light pink blended with cream. Impeccable cutting rose. About 35 petals per bloom. Light sweet fragrance.	Light		
Fire 'n' Ice	HT	4'	Red/White Reverse	1987	This rose was bred for cut flower production. An excellent cut rose that blooms off and on all season long. It is more disease resistant to mildew than most florist roses.	Slight		
Firefighter	HT	4'	Velvet red	2006	Big, super fragrant long stemmed rose is a 'classic' form in many people's mind. Vigorous bushy plant will provide armloads of large blooms. Clean green leaves.	Intense old rose		
Fragrant Cloud	HT	4'	Coral-Orange	1968	Luxuriously fragrant dream of coral red, with honey-sweet fragrance. This rose was voted into the ROSE HALL OF FAME in 1981 Dark glossy foliage and bushy, makes this a very good choice.	STRONG		
Fragrant Plum	GR	5'	Lavender Purple	1990	Vigorous and tall growing plant. The long elegant buds are formed atop premium-length cutting stems. The centers are a lighter shade than the edges.	Strong fruity		
Fragrant Wave	FL	3.5'	White	2005	Large clusters of snowy flowers. When fully open yellow stamens show in the center. Plant has dark foliage, upright growth habit, and is well branched.	Spicy Tea		
Frankly Scarlet	FL	3'	Red	2008	This classic beauty has a sassy, peppery fragrance, and unique light red color. It is a prolific bloomer that gives an almost constant display of large clusters of blooms. Compact plant.	Spicy

Rose selections for 2009

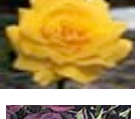

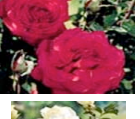

French Lace	<b>AARS</b>	FL	3'	Light Apricot	1994	Ivory to light apricot buds spiral open to classic almost white blooms. Light Spicy The plant is vigorous and bushy.		
French Perfume		HT	5'	Yellow-Pink	1994	Glorious clusters of creamy ruffled blossoms, unfold with light, bright yellow centers that soften to white at the petal edges taking on a ruby blush. Great for cut flowers. Dazzling colors.	STRONG Fruity	
Full Sail		HT	4'	White	2001	Wonderful sport of the rose New Zealand. Great glossy foliage and a surprisingly strong scent. A true white.	STRONG Honeysuckle	
Gemini	<b>AARS</b>	HT	5'	Cream-Pink	2000	This winning rose boasts excellent flower form, luscious color and strong vigor. As the blossoms mature the deeper coral is more pronounced near the edge, lighter near the center.	Light	
Gentle Giant		HT	5'	Rich Pink	2007	Very large buds of deep pink open to large blooms of rich pink. Very wide petal with classic form. The leaves are also quite large and light green. Long stems.	Moderate Fruity	
George Burns		HT	3'	Yellow/Red Streaks	1998	Mostly yellow with deep red streaks in this bloom. The blooms are somewhat ruffled in form. Large clean deep glossy green foliage on a compact growing plant.	STRONG Fruit Citrus	
Gina Lollobrigida		HT	5'	Golden Yellow	1990	Golden-yellow blooms and heady fragrance make this a very good rose. Large abundant blooms. The plant is strong growing with dense medium green foliage.	STRONG	
Gingersnap		FL	3'	Orange/ Yellow	1978	Brilliant colors of orange and yellow, orange being the dominant. Flower petals are ruffled and full. The bush is rounded with dark green foliage.	Mild	
Gold Medal		GR	4'	Yellow	1983	Large, deep yellow blooms tinged with orange-red edge. Blooms are borne singly or in clusters. Free flowering all summer on a compact plant. Produces long stems.	Light Spicy Tea	
Golden Celebration		DA	5'	Yellow	2007	Very large, deeply cupped blooms of golden-yellow striped in pink. Has the true "old fashioned" look. Long stems are suitable for cutting. Plant has an arching habit.	Honey	
Graham Thomas		DA	5'	Strong Yellow	1983	Superb rich deep yellow 'English type' rose from David Austin. Upright type growth could be used as a short climbing rose if desired.	Strong	
Granada	<b>AARS</b>	HT	3'	Gold, Red, Pink	1964	Exquisite color combinations of perfectly formed Tea blooms. Bright and exciting. Vigorous upright plant, forming long stems.	STRONG Spice	
Gypsy Carnival		GR	4'	Orange red	1964	A vibrant combination of large brilliant colored blooms of strawberry-red and yellow. Fully double and ever-blooming. Compact growing grandiflora with dark foliage.	Modest	
Happy Chappy		GCV		Apricot	2007	Blooms are single on upright stems, with an "antique" look. Stays compact. Low spreading habit.		
Heaven on Earth		FL	3.5'	Apricot	2004	This one has fragrance, color and flower form like no other floribunda. Unusual fully cupped blooms are wonderful shade of apricot. Has superior disease resistance.	Spicy	

Walter Andersen Nursery  
Rose selections for 2009

Henry Fonda	HT	4'	Deep Yellow	1995	Distinct, deep yellow blooms, a really impressive color. Vigorous plant has deep green foliage. It is the deep yellow that you will love.	Light Sweet	
Home and Family	HT	4'	White	2004	Long pointed buds on elegant stems. Large porcelain-like blooms. Dark glossy green foliage. A very good white rose.	Moderate Licorice	
Honey Bouquet	FL	3.5'	Honey Yellow	2000	This is a rose with sweet powerful fragrance, large, plentiful flowers, and warm appealing color. Especially effective in mixed beds and border or when planted en mass.	STRONG Sweet	
Honey Dijon	<b>AARS</b> GR	5'	Warm Golden	2005	Warm golden brown, a most uncommon color. Very different and novel. The plant is naturally vigorous and produces abundant blooms.	Rich Fruity	
Honey Perfume	<b>AARS</b> FL	3'	Apricot-Yellow	2004	A great prize winning rose. Winner in Barcelona, Geneva, our own AARS, and Floribunda of the year. Well branched plant is rapidly re-blooming, excellent disease resistance.	Spicy	
Honor	<b>AARS</b> HT	3'	White	1980	Classically shaped, long stemmed and highlighted with peach centers. The blooms always keep their shape. The plant has thick leathery leaves of olive green.	Light Fruity	
Hot Cocoa	<b>AARS</b> FL	3'	Smoky Chocolate	2003	This is an easy to grow rose with a totally different color. Stunning displays of silk-like blooms. Vigorous plant, disease resistant.	Moderate Old Rose	
Hotel California	<b>AARS</b> FL	4'	Yellow	2001	Great large blooming clear yellow blooms. This rose has long cutting stems, elegant buds, and glossy foliage. A wonderful rose bred in France.	Slight	
Iceberg	FL	3'	White	1958	One of the top 10 best selling roses in the world. It is a great landscape plant that blooms all season long. It produces large clusters of pure double white flowers. Dark foliage.	Mild Honey	
Imposter Rose	BSH	3'	Pink w/White Spots	2008	The blooms are different, lavender pink with white spots on the petals. The blooms resemble Clematis flowers.		
In The Mood	HT	4'	Red	2007	Very large deep red blooms that retain their color. Long stems make it good for cutting. If you like red roses you will probably like this one. Newer and sure to please.	Mild Tea	
Ingrid Bergman	HT	4'	Deep Red	1984	Dark red, fully double blooms with a velvety texture. Dark red set against deep green foliage makes this an great looking rose. Compact bushy plant is vigorous and hardy.	Slight	
Ink Spots	HT	4'	Very Dark Red	1985	One of the darkest red roses you will find. It is nearly black. Black pointed buds open to well formed velvety-deep red. Larger than average foliage, bushy.	Light Rose	
Intrigue	<b>AARS</b> FL	3'	Plum Purple	1984	Unusual true purple color on an almost "bullet proof" plant. Very disease resistant. Sure to attract attention. Dark green foliage on a bushy round plant.	STRONG Citrus	
John F. Kennedy	HT	4'	White	1965	This is THE classic white hybrid tea rose. It is strong and classy, sometimes with a hint of green. It has been around for a while but still one of the better white roses.	Moderate	

Julia Child	<b>AARS</b>	FL	3.5'	Yellow	2006	Best described as "butter gold" in color. Perfectly rounded habit and it is disease resistant. Makes a great rose for cutting.	STRONG	
Julio Inglesias		FL	4'	Pink w/ Deep Pink	2008	Striking color combinations of light pink with deep pink streaks in each petal. I guess it could be the other way around! Give this one a warm sunny location.	STRONG Citrus and Verbena	
<b>Kardinal</b>		<b>HT</b>	<b>3'</b>	<b>Red</b>	<b>2009</b>	<b><i>The ultimate red florist rose for years, now available to the public. It was hybridized for the flower trade.</i></b>		
<b>Kimberlina</b>		<b>FL</b>	<b>4'</b>	<b>Pink</b>	<b>2009</b>	<b><i>One of the healthiest, toughest, &amp; vigorous floribundas ever introduced. Foliage is glossy, dark green, growth is upright &amp; well branched. Blooms are soft pink.</i></b>	<b>Light spicy</b>	
The Knock Out Rose	<b>AARS</b>	SH		Red	2000	This rose is about as care free as it gets. Very hardy and almost no diseases at all. Cherry red with some stamens showing in the center. Self cleaning, and very easy to grow.	Light Tea	
<b>Lady Bird</b>		<b>HT</b>	<b>5'</b>	<b>Deep orange</b>	<b>2009</b>	<b><i>New elegant rose with energetic color &amp; tantalizing fragrance. Fully double with 35-40 petals on each bloom. Warm color makes it a fabulous cutting rose, great vase life.</i></b>	<b>Light Spicy</b>	
Lasting Love		HT	4'	Dusky Red	1993	Very nice fragrance on this deep red rose. It will give <i>Mr. Lincoln</i> a run for the money. Big showy blooms and large glossy leaves. New growth is burgundy in color.	Rich Pure Rose	
Laura Bush		FL	3.5'	Smoky Orange	2008	Warm deep Texas sunset-colored petals with a splash of yellow here and there. The petals have some ruffling on the edges. Delightful fruity aroma, selected by the First Lady.	Fruity	
<b>Legends</b>		<b>HT</b>	<b>4'</b>	<b>Ruby red</b>	<b>2009</b>	<b><i>Monstrous buds and huge blooms of rich ruby red. Immense petals all lend to the classical hybrid tea bud shape. The foliage is reddish-green.</i></b>	<b>Mod. fruity</b>	
Leonidas		HT	4'	Deep Orange	1995	Large blooms when fully open, dark on top lighter reverse. One of the most popular "fresh flowers" on the market. Color could be described as cinnamon brown.	Slight	
Let Freedom Ring		HT	4'	Strawberry Red	2006	This is a very good cutting rose with great color. It has long stems and perfect buds. It has good lasting qualities in a vase.	Slight Tea	
<b>Light My Fire</b>		<b>FL</b>	<b>2.5'</b>	<b>Dark orange</b>	<b>2009</b>	<b><i>Flaming hot orange is a 'traffic stopping' color. Large clusters of orange-red blooms offset by dark green glistening foliage. It has a compact rounded habit, good for containers too.</i></b>	<b>Slight</b>	
Livin' Easy	<b>AARS</b>	FL	3'	Apricot-Orange	1996	Easy to grow rose. Foliage is very glossy green, and very disease resistant. Blooms are bright apricot-orange. If you are tired of spraying for diseases, this is a good one.	Moderate	
Love & Peace	<b>AARS</b>	HT	4'	Amber Pink	2002	An offspring of the wonderful Peace rose. Rated very high in rose trials. It is highly resistant to mildew and black spot. Exhibition quality are a blend of pastel shades.	Sweet Fruity	
Lovestruck		FL	3.5'	Dark Pink / White Reverse	2008	This one has sort of the "old English" look. Hot pink with a brush of cream on the back. The blooms are on long stems, the plant has glossy foliage, excellent disease resistance.	Light Spicy	

Walter Andersen Nursery  
Rose selections for 2009

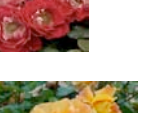

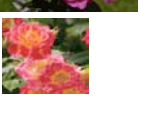

Lynn Anderson	HT	4'	Yellow-Pink Blend	1995	A very pretty rose of almost pure white, with a touch of vivid pink at the edges of the petals. Perfectly formed blooms on long stems. The leaves on this one are large.	Slight	
Mardi Gras	<b>AARS</b>	FL	Cream/Pink	2008	Flamboyant pink and yellow blooms that intensify in color as they mature. Large and long stemmed, they make very showy bouquets. Semi-glossy foliage.	Light	
Marilyn Monroe	HT	4'	Light Apricot	2003	A winning almost "blond color" of light apricot. This one has been a winner in many shows, including San Diego's Rose Show. Large blooms hold their shape and color. Very nice.	Mild	
Mellow Yellow	HT	4'	Clear Yellow	2002	Clean, pure yellow rose. This is an great Tea Rose that holds its color until the petals fall. Lots of large blooms on long stems. Vigorous plant and easy to grow.	Moderate Fruity	
Melody Parfumee	GR	5'	Plum	1999	Intriguing different color, Plum, opening to a deep lavender. Sweet spicy scent. Blooms are fully double with great shape. Foliage is dark green.	Spicy	
Memorial Day	<b>AARS</b>	HT	Lavender-Pink	2004	A bright new easy to grow rose, extremely productive and busting with vitality. Just one of its large blooms with fill a room with rich fragrance.	STRONG Damask	
Midas Touch	<b>AARS</b>	HT	Neon Yellow	1994	Another great bright yellow rose. Easy to grow, even for a novice. Dark glossy green foliage on a very sturdy plant. Color holds well, pretty much non-fading.	Moderate Fruity	
Midnight Blue	SH	3'	Dark Purple	2004	Very deep purple, could be called "black velvet" purple, in clusters of double smaller blooms. The leaves are bright green. Strong spicy clove fragrance, like no other rose.	STRONG Clove	
Mister Lincoln	<b>AARS</b>	HT	Deep Red	1965	Large long lasting buds, voluptuous ruffled blooms of glowing deep red. One of the most highly regarded Hybrid Teas of all time.	STRONG Rose Scent	
Moon Dance	<b>AARS</b>	FL	White	2007	Large creamy white flowers contrasted with glossy, dark green foliage. Resistant to Black Spot, Mildew and Rust. Scored high on Armstrong's list making Rose of the Year.	Medium Rose	
Moon Shadow	HT	5'	Lavender	1996	Enchanting with a heady perfume. Different dusky lavender colors, not a pale color. The blooms are about 4.5" in diameter and it has dark glossy green foliage.	STRONG Antique Rose	
Moonstone	HT	3'	White/Pink	1999	A stunning rose. Nearly white in the center then a gradual 'blush' of light pink to the edges of petals. Stems are very straight and cut well.	Mild	
Mother of Pearl	GR	5'	Soft Peach	2007	This rose is excellent for our cooler climates. It is also above average for resistance to Black Spot. The soft colors of this grandiflora put it above others. The blooms are near perfect in shape.	Slight	
Nancy Reagan Rose	HT	5'	Deep Apricot	2004	Graceful buds open to light apricot to a deeper shade all summer. Long stems make it a good cutting rose. The blooms have a long cut life as well.	Light Sweet	
Neptune	HT	4'	Rich Lavender	2004	Luscious lavender blooms with a touch of purple. Abundant blooms arrive on a praise-worthy plant with large glossy green leaves. Strong growing plant.	Powerful Sweet Rose	

New Zealand	HT	4'	Soft Pink	1995	This rose has good disease resistance and the blooms are a wonderful shade of pale pink. Glossy foliage gives this plant resistance to diseases. Likes cool temperatures too.	STRONG Honeysuckle	
Olympiad	AARS HT	4'	Bright Red	1984	You can cut roses all season long! Tall growing plant with sturdy stems hold these blooms high. If you like "true red roses" you should consider this one.	Light Fruity	
Opening Night	AARS HT	4'	Bright Deep Red	1998	Sumptuous deep red, velvety blooms have a glowing brightness. Borne on long stems, gorgeous in the garden and in the vase.	Slight	
Oranges 'n' Lemons	SH	6'+	Orange and Yellow	1995	Unusual bi-color, orange with yellow stripes, very different. New growth is deep mahogany turning green. This rose can be trained as a climber if you wish	Moderate Fruity	
Our Lady of Guadalupe	FL	3'	Pink	2001	Lovely free flowering lower sized bush rose. Dark pink buds open to a light lavender shade. Very disease resistant. Uncommonly lovely with bunches of dark pink buds.	Light Sweet	
Outrageous	FL	3.5'	Orange	2006	The plant produces long stem roses of deep apricot orange, wave after wave. The foliage is dark green and disease resistant.	STRONG Citrus	
Paradise	AARS HT	3'	Bi-tone Lavender	1979	A very tough rose, one of the best lavenders. The blooms are true lavender with much darker coloring at the edges of the petals. A proven lavender rose.	Moderate Fruity	
<b>Paradise Found</b>	<b>HT</b>	<b>3'</b>	<b>Pink blend</b>	<b>2009</b>	<b>Nearly 'perfect' hybrid tea rose. It has everything, color, shape, vigor, fragrance, repeat bloomer, and vase life. The only thing missing is resistance to black spot.</b>	<b>Strong anise &amp; verbena</b>	
Peace	AARS HT	5'	Pink/Yellow Blend	1946	One of the worlds most famous roses. Shimmers with blends of yellows and pinks, very full double blooms. Almost as popular today as it was the year it was introduced.	Sweet	
<b>Peach Drift</b>	<b>GCV</b>	<b>1.5'</b>	<b>Pale pink</b>		<b>Low spreading mounds to almost 3' across. This one has light pink double blooms. They bloom from spring to fall, 5-8 flowers per stem.</b>		
Perfect Moment	AARS HT	4'	Red and Yellow	1991	An outstanding rose which has been very popular. Double high centered blooms, red at edges more yellow in the center, almost makes it "glow". No disappointments here.	Mild Fruity	
<b>Pink Double Knockout</b>	<b>SH</b>	<b>3'</b>	<b>Pink</b>	<b>2009</b>	<b>'Bubblegum' pink mutation of Double Knock Out. It has high disease resistance, like the original rose. Deeper in color and a double bloom makes it a winner.</b>		
<b>Pink Drift</b>	<b>GCV</b>	<b>1.5'</b>	<b>Deep pink</b>	<b>2009</b>	<b>Low spreading ground cover type rose. Single blooms of deep pink with a white center. Large clusters of blooms, 10-20 on a stem, blooms all summer long.</b>		
<b>Pink Promise</b>	<b>AARS HT</b>	<b>5'</b>	<b>Pink</b>	<b>2009</b>	<b>Elegantly shaped buds on long stems that open perfectly. The rose has been chosen to represent the National Breast Cancer Foundation.</b>	<b>Strong fruity</b>	
Pope John Paul II	HT	4'	White	2008	Pure luminous white, lavishly petaled rose. Among the finest white Hybrid Tea roses. Large blooms of about 5" across, nice pointed buds on long stems.	STRONG Citrus	

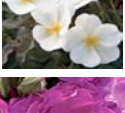

Walter Andersen Nursery  
Rose selections for 2009

Preference	FL	2.5'	Deep Red	2007	Deep scarlet red blooms will not burn or fade in the heat. Free flowering throughout the season. The blooms are long lived and the plant has glossy green foliage, excellent disease resistance.	Light		
Pristine	HT		Soft pink	1978	One of the best 'exhibition roses' top rated for its perfect form. The very light pink blooms look delicate. It performs great in the garden.	Sweet		
Pure Perfume	SH	4.5'	White	2005	Old fashioned cupped formed blooms on a shrub rose of vigorous quality. Dark green glossy foliage. This rose can be trained as a hedge.	Grapefruit Like		
Purple Tiger	FL	4'	Purple and White	1991	Unique purple stripes and a rich, earthy Gallica scent reminiscent of ripe currants. They are on hardy upright plant.	Old Rose		
Queen Elizabeth	<b>AARS</b>	GR	6'	Pink	1955	A wonderful large growing true pink rose. The blooms are on long stems. This rose has stood the test of time. After all these years it is still a good selling rose.	Light Tea Rose	
Queen Mary 2	HT	3'	Pure White	2005	High centered buds on this "newer" rose combine the distinctive strong fragrance of sweet rose. Excellent disease resistance, it will make an excellent addition to any rose garden.	STRONG Rose and Banana		
Radiant Perfume	GR	5'	Golden Yellow	2005	Stunning in the garden and in bouquets, with sparkling golden color. Graceful formed blooms on long stems. Vigorous bush.	STRONG Citrus		
Rainbow Knockout	SH	3'	Salmon	2007	It blooms almost year round in mild climates. Coral pink buds open to Light flowers ranging from orange to pure pink. Showy hips follow in the fall. Good resistance to Mildew and Rust.	Light		
Rainbow Sorbet	FL	3'	Orange to Red	2006	Medium to large blooms for a floribunda, the colors are bright yellow, orange to almost red. The blooms are on long stems for cutting. It is also disease resistant.			
<b>Red Drift</b>	<b>GC</b>	<b>1.5'</b>	<b>Red</b>	<b>2009</b>	<b>Double red cup-like blooms on this ground cover type rose. Spreads to about 3' wide. In almost continual bloom from spring to fall.</b>			
<b>Rock &amp; Roll</b>	<b>GR</b>	<b>4'</b>	<b>Burgundy &amp; cream</b>	<b>2009</b>	<b>The petals of this beauty are striped and splashed with deep colors. Deep green foliage cover the plant. Great for cutting.</b>	<b>Strong rose &amp; fruit</b>		
Ronald Reagan Rose	HT	6'	Red	2004	Majestic rose sets a new color standard. Rich red blooms with an almost white reverse. Long stem flowers are breathtaking in floral arrangements.	Light Sweet		
Roseberry Blanket	GCV	16"	Pink	2006	Giant (for its size) fuchsia-toned blooms thrive in difficult to grow spots. Many clusters of frilly flowers on a very resilient plant. Glossy, dark green foliage.	Light Spicy		
St. Patrick	<b>AARS</b>	HT	4'	Yellow to Green	1996	This is a yellow rose that will perform well in hot weather. The "St. Patrick" comes from the green overtones in the blooms.	Light Sweet	
Scentsimental	<b>AARS</b>	FL	4'	Burgundy and White	1976	Very bright red boldly streaked with pure white. Somewhat of an old fashioned form. Unique addition to any garden.	STRONG Sweet Spice	

Secret	<b>AARS</b>	HT	4'	Cream and Pink	1994	Well-formed buds open to blooms whose soft colors are set-off by mahogany red new foliage. Easy to grow, and a prolific blooming plant.	STRONG Sweet Spicy	
Sheer Bliss	<b>AARS</b>	HT	3.5'	White blushed Pink	1987	Fragrant creamy white blooms have a soft blush of pink near the center. A favorite for floral arrangements and wedding bouquets.	STRONG Sweet	
Sheer Magic		HT	5'	Cream edged w/ Coral	2007	High centered buds unfurl with coral-red blush at the edge to lighter near the centers. Blooms have satiny petals on long stems. Good cut flower form.	Light Spicy	
Sheila's Perfume		FL	4'	Yellow - Pink Blend	1985	Blooms of yellow in the center, brush to pink near the edge. Blooms are like a Hybrid Tea in their perfect shape. A vigorous plant.	STRONG Rose and Fruit	
<b>Shockwave</b>		<b>HT</b>	<b>3'</b>	<b>Neon Yellow</b>	<b>2009</b>	<b><i>There is no rose any 'yellow'. There is no foliage that is any 'greener'. The blooms hold well to the very end. It is a well behaved plant that you can tuck into your landscape.</i></b>	<b>Mild</b>	
Signature		HT	4'	Deep Pink Blend	1996	Wonderful form, with long pointed buds. They open to high-centered pink blooms, swirled with cream. The foliage is deep green.	Light Fruity	
Simplicity Lavender "Fragrant Lavender Simplicity"		SH		Lavender	2005	Fills the landscape with sparkling, fresh color and delightful citrus scent. More double than other "Simplicity" roses.	STRONG Citrus	
Simplicity Pink		SH		Medium Pink	1978	The original "Simplicity Rose" a good landscape rose, often used for informal hedges. This is a rose almost anyone can grow. Double pink flowers.	Light Sweet	
Simplicity Yellow		SH		Bright Yellow	1998	Bright yellow buds open to true yellow semi-double blooms. The plants grow to about four to five feet tall. This will brighten your backgrounds.	Light Sweet	
Sixteen Candles		HT	3'	Light pink	2006	Shell pink clusters in 'candelabra-like' form. High centered peachy pink finish to a soft creamy white. The plant has a compact, well branched habit.	Sweet	
Snowfire		HT	4'	Red / White	1970	Velvety red petals with a white reverse. Huge pointed buds of clear white unfurl to show the huge scarlet red blooms. Bushy medium sized plant with dark green foliage.	Slight Tea	
Solstice		GR	5'	Yellow	2006	Showy clusters of sunny yellow flowers shining against a lush backdrop of dark green foliage. The plant is vigorous and well branched.	Light Licorice	
<b>Spanish Sunset</b>		<b>FL</b>	<b>3'</b>	<b>Orange</b>	<b>2009</b>	<b><i>From New Zealand, provides non-stop display of bright orange flowers throughout the season. Excellent resistance to mildew and rust.</i></b>	<b>None</b>

Spring Fever		GCV		Soft Pink	2008	Perfect for containers and for under-planting perennials. Apple blossom flowers are layered over the dark glossy green foliage. A prolific bloomer.	Light	

Stainless Steel	HT	4'	Silvery Lavender	1997	One of the better lavender roses. Large blooms, a little lighter in color than most others. Long lasting flowers on long stems. Dark green foliage.	STRONG Rose		
Sterling Silver	HT	3'	Lavender	1957	One of the original lavender roses and still quite popular. This has a deep color and classic form on long stems. Medium glossy foliage.	Sweet Fruity		
Strike It Rich	<b>AARS</b>	GR	4'	golden Yellow	2007	Golden yellow blushed with bits of ruby red. This rose blooms in clusters on long stems that are suitable for cutting. Great disease resistance.	STRONG Spice and Fruit	
<b>Summer Love</b>	<b>4'</b>	<b>HT</b>	<b>4'</b>	<b>Soft yellow</b>	<b>2009</b>	<b>Large, full soft yellow blooms last well on this plant. Sometimes tinged with a touch of pink. The bush is well formed with Kelly green leaves.</b>	<b>Mild, sweet</b>	
Sundance	GR	5'	Yellow	2004	Bright gold buds edged in orange open to petals that brighten to sunny gold with orange-pink picotee edge.	Light Sweet		
Sunset Celebration	HT	4'	Apricot-Amber	1998	Large blossoms illuminate the garden with creamy apricot to warm amber pink hues. Packed with petals and poised on long, elegant stems. Its delicious aroma is like fresh peaches.	Fruity		
Sunsprite	FL	3.5'	Deep Yellow	1977	Large clusters of bright, sweet-scented non-fading blooms provide plenty of cut blooms. The foliage is bright green and disease resistant.	STRONG Licorice		
Sunstruck	HT	4'	Apricot Gold	2006	Very large blooms with rounded petals. The color varies on each petal, with deep yellows, blushed with apricot oranges. Long stems and deep green leaves.	Moderate Fruity		
<b>Sweetness</b>	<b>ROY</b>	<b>GR</b>	<b>5'</b>	<b>Lavender</b>	<b>2009</b>	<b>A vigorous, healthy grandiflora that produces bursts of high-centered hybrid tea like blooms all season. Great new addition to the lavender rose collection.</b>	<b>Strong citrus</b>	
Tahitian Sunset	HT	4'	Orange	2006	Orange yellow buds open to colors of orange, yellows and pink. The large blooms are up to five inches across. The plant is covered with rich deep green disease resistant foliage.	STRONG Anise		
<b>Teeny Bopper</b>	<b>Mini</b>	<b>2'</b>	<b>Red</b>	<b>2009</b>	<b>Scarlet blooms with a white center. Glitzy clusters of blooms form from pointed buds in large clusters. Deep green glossy leaves cover the bush, makes a great potted plant.</b>	<b>Light</b>		
Tequila	Shrub	4'	Orange	2006	Produces lots of brightly colored apricot-orange blooms throughout the season. Makes a great hedge or use individually.	None		
The Imposter - See "The Imposter"								
The McCartney Rose	HT	4'	Pink	1996	Offered as a birthday gift to Sir Paul, the enormous deep rose pink buds mature into massive blooms. Candy like fragrance lures you deep into the garden.	Strong spice		
Tiddley Winks	Mini	1'	Orange pink	2008	Pointed buds of deep gold unfurl to show a glowing orange-pink interior with a surprising yellow 'eye'. The blooms are long lived & set against very bright green leaves.	Slight		
Topsy Turvy	FL	3'	Red	2007	Blooms unfold in swirling petals of scarlet above and creamy white below. It blooms all season. Foliage is dark glossy green. Betty Boop is one of the parents.	Light Sweet		

Walter Andersen Nursery  
Rose selections for 2009

Touch of Class	<b>AARS</b>	HT	4'	Coral-Cream	1986	One of the top exhibition roses of all time. High centered beautifully spiraled, ruffled blossoms. Blooms are on long stems.	Mild Apple	
Tournament of Roses	<b>AARS</b>	GR	4'	Coral Pink	1989	Impressive rose with magnificent flower sprays. Coral buds unfurl to medium pink blooms that soften to light pink along the edges of the petals.	Moderate Fruity	
Truly Yours		HT	3.5'	Soft Pink	2007	Larger fragrant well formed flowers on a very compact plant. Good stems for cutting and the foliage is large and reddish green. Perfect as a potted rose, also for small spaces.	Mild	
Trumpeter		FL	3'	Orange-Red	1977	Very bright blooms cover this plant most of the season. This is about as "disease-proof" as can find. Long lasting blooms with intense color. It is just a great no-problem rose.	Light Spicy	
Tuscan Sun		FL	3.5'	Deep Apricot	2005	Rich apricot buds of exceptional quality open fully to bronze blushed blooms. Blossoms are on long sturdy stems. The dark glossy foliage is disease resistant.	STRONG Sweet	
Valencia		HT	4'	Light Apricot	1989	Large full blooms of creamy apricot with copper undertones. Outstanding for cutting and has a long vase life. The petals have velvety appeal. The foliage is a nice dark green.	Moderate Fruity	
Vavoom		FL	3'	Orange	2007	True orange rose. Medium ruffled fully double blooms are very showy. The color does not fade and blooms are long lived. Foliage is glossy green on a rounded compact plant.	Light Raspberry	
Veteran's Honor		HT	5'	Bright Red	2000	One of the very best reds to come along in quite a while. Strong plant produces large buds that open to five inch plus blooms that can last up to two weeks.	Light Sweet	
Voluptuous		HT	5'	deep Pink	2005	Very good rose with exceptionally high centered blooms. Fully petaled satiny, deep fuchsia-pink colors. Tall upright growing full branched disease resistant plant.	Rich Fruity	
Voodoo		HT	4'	Orange-Peach	1986	This has glowing blossoms that are a spellbinding blend of yellow, peach, and deep orange. Nice glossy foliage and a great repeat bloomer.	Moderate Apple	
Watercolors		SH	3'	Yellow-Deep Pink	2008	A wonderful new single rose that is ever changing. More yellow into the centers to deep pink at the edges. The plant has deep green foliage with new shoots of red.	Moderate Fruity	
We Salute You		HT	4'	Orange-Pink	2006	More orange on the inside, pink on the outside, but it makes a wonderful combination. Blooms are fully double medium to large formal. Long stems on a plant with glossy foliage.	Licorice Scent	
Welcome Home		FL	5'	Yellow	2007	High centered blooms of yellow streaked with cerise unfold gracefully from light yellow buds. The yellow is almost a butter color.	Citrus	
<b>White Out</b>		<b>Shrub</b>	<b>3.5'</b>	<b>White</b>	<b>2009</b>	<b><i>This compact bushy plant almost never stops blooming. The bright single blooms cover the plant almost all the time. Extremely disease resistant, great plant.</i></b>	<b>Slight citrus</b>	
Wild Blue Yonder	<b>AARS</b>	GR	5'	Purple-Lavender	2006	Each velvety petal is a shade of purple-red wine highlighted in lavender. There really is no color like this one.	STRONG Old Rose	
William Shakespeare		DA	4'	Crimson Red	2000	The rose is very disease resistant. Blooms are a deep purple red formed on a rounded shrub. One of the best David Austin roses to date.	STRONG Fruity	

Walter Andersen Nursery  
Rose selections for 2009

Windermere	DA	3'	Cream	2008	This is a compact David Austin rose suited for smaller spaces. Medium sized blooms of about four inches across have 80 petals. Very full with the classic "English" look.	Light	
Wing-Ding	PLY	3'	Scarlet	2008	The plant is covered with small single blooms of brilliant scarlet red. The blooms are long lived. The masses of blooms cause it to on the cascading side. Shiny green leaves.	Sweet	
World War II Memorial Rose	HT	4'	Light Lavender-Pink	2000	Distinctive colors of almost white, pink to shades of lavender. Beautiful exhibition quality high centered buds open to very large blooms. The plant is disease resistant.	Light Fresh	
Yellow Ribbons	GCV	1.5'	Yellow	2006	Very low growing, spreading ground cover rose. It blooms all summer long with light yellow fully petaled blooms for hard to cover areas.		

Type Key - HT=Hybrid Tea, GR= Grandiflora, FL=Floribunda,
